

## Declaration

Date  
10 May 2016

### Replacement of directive 94/9/EC with directive 2014/34/EU

Directive 94/9/EC was replaced by directive 2014/34/EU on the 20<sup>th</sup> of April, 2016.

The scope of directive 2014/34/EU is identical to that of 94/9/EC. The state-of-the-art for the evaluation of the ignition hazard of non-electrical products has not changed to date either.

For this reason, confirmations, declarations and certificates concerning the use of non-electrical devices in potentially explosive atmospheres issued thus far in accordance with directive 94/9/EC shall retain their validity until further notice.
