

Manifold block MHP2-PR2-3

Part number: 197442

FESTO

 [General operating condition](#)

Data sheet

Feature	Value
Max. number of valve positions	2
Corrosion resistance class CRC	2 - Moderate corrosion stress
LABS (PWIS) conformity	VDMA24364-B1/B2-L
Mounting method for sub-base	With through-hole via DIN rail
Mounting method for valve	With female thread
Pneumatic connection, port 1/33	M7
Pneumatic connection, port 3/11	M7
Material sub-base	Wrought aluminium alloy
