

Profile strip SLG-S-8-200

Part number: 525683

FESTO

 [General operating condition](#)

Data sheet

| Feature | Value |
|--------------------------------|--------------------------------|
| Mounting position | optional |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity | VDMA24364-B2-L |
| Ambient temperature | -10 °C ... 60 °C |
| Product weight | 109 g |
| Type of mounting | Via through-hole and dowel pin |
| Material housing | Hard anodised |
