

# Shock absorber YSRW-DGC-25-GF

Part number: 540348

FESTO

 [General operating condition](#)

## Data sheet

| Feature                        | Value                                       |
|--------------------------------|---|
| Size                           | 25  |
| Cushioning                     | Self-adjusting<br>Soft characteristic curve |
| Mounting position              | optional                                    |
| Position detection             | Without                                     |
| Symbol                         | 00991497                                    |
| Max. impact speed              | 3 m/s                                       |
| Mode of operation              | Pushing<br>Single-acting                    |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress               |
| LABS (PWIS) conformity         | VDMA24364-B1/B2-L                           |
| Ambient temperature            | -10 °C ... 80 °C                            |
| Type of mounting               | Via lock nut                                |
| Note on materials              | RoHS-compliant                              |
| Material piston rod            | High-alloy steel                            |
