

To our valued customers

**FESTO**

Application of China Compulsory Certification (CCC) to electrical products of Festo

Date  
1 August 2013

This letter is to declare that the **electrical products of Festo other than those listed below in list 1 and list 2 are not subject** to the "First Catalogue of Products Subject to China Compulsory Certification (CCC)" published by the General Administration of Quality Supervision and Inspection and Quarantine of the People's Republic of China (AQSIQ), and thus are permitted to be exported, distributed and sold to/in China without certification or application for exemption.

Our reference  
TV-SC/BIS

Only those electrical products of Festo in list 1 and 2 below with a **rated voltage 36VDC** or more are subject to China Compulsory Certification (CCC).

Legal form:  
Limited partnership  
Registered office: Esslingen a. N.  
Register court Stuttgart  
COR 211583  
Value added tax id. number:  
DE 145 339 206

Products within the scope of CCC without certification may be permitted to be placed on the market of People's Republic of China in case they are mounted on to a machine or in case they are part of an assembly.

General partner:  
Festo Management  
Aktiengesellschaft  
Registered office: Vienna/Austria  
Commercial register court:  
Commercial court Vienna  
COR FN 303027 d  
Board of Director:  
Dipl.-Kfm. Alfred Goll  
Dr. Claus Jessen  
Dr. Ansgar Kriwet  
Dipl.-Kfm. Michael Mölleken  
Dr. Eberhard Veit (Chairman)  
Chairman of the Supervisory Board:  
Prof. Dr.-Ing. Dr.-Ing. E.h. Klaus  
Wucherer

List 3 shows products which can by their HS code be found in the CCC product catalogue but are excluded because of the applied standard for type testing which does not cover this product type.

In view of the possible need to certify your shipment to the People's Republic of China, we recommend consultation with the Administration of Quality Supervision, Inspection and Quarantine (AQSIQ) in the relevant region of export.
