530411	3S7PLGFGQNC MPA-FB-VI 50E-T06GQOPF38GCER-D 32P-SGL-R-MAH-JULL valve terminal	All	<a href="#">→ Show spare parts</a> <a href="#">→ Accessories</a> <a href="#">→ Display in the catalogue</a>	

The parts list structure for a valve terminal corresponds to the 3D view from left to right. The 3D view can be opened using the button in the top right-hand corner.

4. Place the required spare part in your basket or let your purchaser know the part number and quantity.

5. Please refer to the documentation for information on disassembly and assembly. This can be accessed by clicking on “Display in the catalogue” and then on “Documentation” in the menu on the right.
