

# Clamping component DADL-EC-Q11-35/40

Part number: 1535091

FESTO

 [General operating condition](#)

## Data sheet

| Feature                          | Value                           |
|----------------------------------|---------------------------------|
| Size                             | 35<br>40                        |
| Design                           | For T-slot                      |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress   |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L               |
| Ambient temperature              | -10 °C ... 60 °C                |
| Product weight                   | 98 g                            |
| Type of mounting                 | Screwed on<br>Clamped in T slot |
| Note on materials                | RoHS compliant                  |
| Material of screws               | Steel<br>Galvanized             |
