

Common supply manifold PAL-3/8-9-B

Part number: 30699

FESTO

 [General operating condition](#)

Data sheet

| Feature | Value |
|-----------------------------|-----------------------|
| Mounting position | Any |
| Max. no. of valve positions | 9 |
| LABS (PWIS) conformity | VDMA24364-B1/B2-L |
| Product weight | 1260 g |
| Type of mounting | With mounting bracket |
| Pneumatic connection 1 | G3/4 |
| Note on materials | RoHS-compliant |
| Material of sub-base | Aluminum Anodized |
