

# Electrical interface CPX-CP-4-FB

Part number: 526705

FESTO

 [General operating condition](#)

## Data sheet

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Product weight                   | 139 g                         |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B2-L                |
