

Installation kit HMIO-AP-2

Part number: 540121

FESTO

 [General operating condition](#)

Data sheet

| Feature | Value |
|----------------------------------|------------------------------------|
| Mounting position | Any |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity | VDMA24364-B2-L |
| Product weight | 300 g |
| Adapter material | Wrought aluminum alloy Anodized |
