## Data sheet

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Size                             | 40                            |
| Precision adjustment             | 15 mm                         |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L             |
| Ambient temperature              | -10 °C ... 80 °C              |
| Product weight                   | 1525 g                        |
| Note on materials                | RoHS-compliant                |
| Stop screw material              | Steel<br>Galvanized           |
| Stop bracket material            | Cast stainless steel          |
| Housing material                 | Anodized                      |
| Cap material                     | POM                           |
| Clip material                    | High-alloy stainless steel    |
| Nut material                     | Steel<br>Galvanized           |
