

Cover plate VABB-C8-12-A

Part number: 562460

FESTO

 [General operating condition](#)

Data sheet

| Feature | Value |
|----------------------------------|-------------------------|
| Corrosion resistance class (CRC) | 0 - No corrosion stress |
| LABS (PWIS) conformity | VDMA24364-B1/B2-L |
| Max. tightening torque | 0.6 Nm |
| Note on materials | RoHS compliant |
| Housing material | PA-reinforced |
