

# Power supply module VMPAL-SP

Part number: 570774

FESTO

 [General operating condition](#)

## Data sheet

| Feature                          | Value                                   |
|----------------------------------|---|
| Width                            | 23.2 mm                                 |
| Length                           | 107.3 mm                                |
| Valve manifold design            | Interchangeable valve sizes             |
| Operating pressure               | -0.09 MPa ... 1 MPa                     |
| Operating pressure               | -0.9 bar ... 10 bar                     |
| Pilot pressure MPa               | 0.3 MPa ... 0.8 MPa                     |
| Pilot pressure                   | 3 bar ... 8 bar                         |
| Corrosion resistance class (CRC) | 3 - High corrosion stress               |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L                       |
| Ambient temperature              | -5 °C ... 50 °C                         |
| Product weight                   | 50 g                                    |
| Pneumatic connection 1           | for 20 mm cartridge                     |
| Note on materials                | RoHS compliant                          |
| Power supply module material     | Wrought aluminum alloy<br>PA-reinforced |
