

Clamping unit KPE-32

Part number: 178470

FESTO

 [General operating condition](#)

Datasheet product reliability

The information in this "Product reliability data sheet" is based on products being used as intended. This includes complying with all specifications in data sheets, catalogues, user documentation and the general operating conditions. The user alone is responsible for determining whether a product is suitable for a particular application.

Feature	Value
Safety function ¹⁾	Holding and stopping a movement

1) Further measures can be necessary for realization of the mentioned safety function. For these measures refer to the relevant documentation.
