Datasheet product reliability

The information in this "Product reliability data sheet" is based on products being used as intended. This includes complying with all specifications in data sheets, catalogues, user documentation and the general operating conditions. The user alone is responsible for determining whether a product is suitable for a particular application.

Feature	Value
Certified for safety function to ISO 13849 and IEC 61508 (SIL) ¹⁾	Up to Safety Integrity Level 2 high demand mode
CE mark (see declaration of conformity)	To EU EMC Directive To EU RoHS Directive

1) Further measures can be necessary to fulfil the stated Safety Integrity Level (SIL). For these measures refer to the relevant documentation.
